LIPID-MODIFIED PROTEINACEOUS
MOLECULES

**SUPPLEMENTAL
AMENDMENT IN RESPONSE TO NON-FINAL OFFICE ACTION**

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

INTRODUCTORY COMMENTS

This Supplemental Amendment is in response to the Notice of Non-Compliant Amendment (37 CFR 1.121) (the "Notice") dated March 8, 2005 and in further response to the non-final Office Action dated May 18, 2004, for which a response was filed November 18, 2004 with a Petition and fee for a 3 months extension of time.

Amendments to the Claims begin on page 3 of this paper. In accordance with the Notice, the status identifier labels in the claims have been corrected, claims 24-26 are identified as canceled, and the new claims previously numbered 24-26 are now 27-29.

Remarks/Arguments, begin on page 6 of this paper. In accordance with the Notice, any reference to canceled claims 24-26 as being new has been corrected and replaced with new claims 27-29.

In order that this Supplemental Response be deemed complete, we attach a copy of the executed Terminal Disclaimer submitted with the Amendment filed November 8, 2004, however, the Petition for 3 Month Extension of Time and the Fee Transmittal authorizing the fees for the Extension and the Terminal Disclaimer which were filed with that Amendment are assumed to have been accepted by the Patent Office.

No new matter has been added.

We believe this Supplemental Response satisfies the requirements of the Notice and respectfully ask that this Response be entered and made of record in the instant application.
